

## Matchmaking Event

„Foam Expo Europe 2018“

Hannover, Germany

14 to 16 October 2018

On the occasion of the Foam Expo Europe, the first free-to-attend trade-fair for the manufacturers and buyers of technical foam products and technologies in Europe, the Enterprise Europe Network invites you to take part in international B2B Meetings.

The event has been designed as a platform offering an opportunity to gain access to additional know-how in processing and application of foam, foam related products and its raw materials.

**Location:** Hannover, Germany

**Date:** 16 to 18 October 2018

**Organizers:** Foam Expo Europe, NBank, Enterprise Europe Network

*Business Support on Your Doorstep*

### Main topics:

- Foam products and technologies, raw materials, adhesives & sealants, rubber & PVC
- Processing and manufacturing, processing technologies, equipment and machinery, foam recycling, sustainable production

### Conditions:

The participation in the matchmaking event requires a registration until the 8th of October.

### Registration:

<https://b2b-meetings-at-foam.b2match.io/>

## Procedure of the registration:

### Step 1:

Register on the event website:

<https://b2b-meetings-at-foam.b2match.io/>

Create a meaningful profile of your company.

**Step 2:** Choose your B2B meetings from the catalogue of participants until the 8th of October or decide which meeting requests you want to accept.

**Step 3:** Afterwards you will receive your individual meeting schedule. You can also download the schedule at any time.

### Further information

All of the meeting request made to you by other participants will be accepted, unless you actively refuse them.

**If you are interested or if you have further questions, please contact your local EEN partner:**

### About Enterprise Europe Network

The Enterprise Europe Network helps businesses innovate and grow on an international scale. It is the world's largest support network for small and medium-sized enterprises (SMEs) with international ambitions.

The Network is active in more than 60 countries worldwide. It brings together 3,000 experts from more than 600 member organisations – all renowned for their excellence in business support.

### Business services

Teams of Network experts in each member organisation offer personalised services to businesses.

They know the local business environment and have contacts for business opportunities worldwide.

The Network can also offer a targeted approach aimed specifically at your business sector. Its expert groups cover all key economic sectors, from healthcare to agrofood, from intelligent energy to fashion and textile.
